VIDYUT SOUDHA::HYDERABAD**

From  
The Chief Engineer/SLDC & Com,  
APTRANSCO  
Vidyut Soudha, Khairatabad,  
Hyderabad-500082,

To  
All Traders (Enclosed Address List)

Lr.No.CE(SLDC)/SE(SLDC)/DE(PP&OA)/ADE/F.OA/D.No.944 /14, Dt:07.10.2014.  
8

Sub: APTransco – SLDC – STOA – Accuracy class of CTs & PTs –  
Extension of time **for complying with metering regulations** - reg.

\*\*\*\*\*

As per the requests made by Consumers/Generators/Associations regarding extension of time for complying with metering regulations, after careful consideration APTransco management decided to allow Short Term Open Access up to 31.03.2015. Hence all Consumers/Generators/Traders are requested to adhere to Open access and CEA metering regulations before 31.03.2015.

The class of accuracies as per regulations is,

Class of accuracy of meters(Main, Check and Stand by): 0.2s

Class of accuracy of associated CTs: 0.2s

Class of accuracy of associated PTs: 0.2

This is for your information and **immediate necessary action**.

  
Chief Engineer/SLDC & Com  
APTransco 5/2
