

HEALTH CARE

As regards to the Health care services to your staff across these 9 districts, we request you to kindly instruct your staff and their families to make use of these MAK (Mukhyamantri Arogya Kendramulu) centres which are available in all the Urban areas across the state. The services offered here are as follows:

- a) General Medicine Graduate Doctor who will check the patients in the centre.
- b) Full-fledged lab which takes care of around 30 kinds of tests, which is first of a kind in the country.
- c) Pharmacy with a large range of Medicines to take care of all primary issues.
- d) **Specialist consultations:** There are four specialty Doctors who are available LIVE to all the patients, in the fields of ORTHO, CARDIO, ENDO & General Medicine.

All the above mentioned services are FREE of cost to the patient, and the centre is operational from 8.00 AM to 12.00 Noon and evening 4.00 PM to 8.00 PM.
