**UNDERTAKING**

I ..... S/o ..... aged ..... R/o  
..... representing the ..... company hereby undertake and  
state that I have made open access arrangement for selling power to a Trader/  
Openaccess

consumer of other state/AP state by name..... to have power, during the period  
..... while continuing to be the Generator selling power to Discoms as  
earlier. And in this connection I undertake, that if I am found to have under  
generated/Over generated any quantum of energy for the period as reflected in the  
meter, dehor's to the fact whether the said under/Over generation in the period has  
taken place with or without information to APSLDC, I agree for the following:

- i) I / We will pay the prevailing UI rates as may be payable from time to time  
depending on the grid frequency in addition to charges liable to pay for the energy  
generated below the scheduled energy.
- ii) I / We will not claim any charges for energy injected over and above the scheduled  
energy, since the same is inadvertent power to the AP Grid.
- iii) We Agree to ensure that aggregate quantum in each time block of 15 minutes for all  
the bid(s) in collective transactions (day ahead contracts on Power Exchange(s))  
and/or for intra-day/contingency transactions (in OTC market and/or Power  
Exchange Market) shall not exceed the quantum for which No Objection or Prior  
Standing Clearance has been granted.

This undertaking is given to Discoms to permit my company to avail O.A. during the  
Said Open Access period.

This undertaking will be valid from DD.MM.YYYY to the end of this Financial Year.
