Sirs,

Sub:- Supply of 33 kV Pin Insulator with suitable Pin - Blacklisting - reg.

- Ref:-
- 1) This office P.O.No.TCM.152/2007-08/4568 dated 21.01.2008.
  - 2) 25% additional quantity P.O. No.TCM.126/2008-09/Bihar/2842 dated 15.09.2008.
  - 3) TCM/L/156/2007-08/4367 dated 4-10-2010 to M/s. Bihar Industrial Corporation, Jharkhand.

Purchase Order for the supply of 5200sets of 33kV Pin Insulators with matching Pin and 25% additional quantity for the same (1300 sets) were placed with M/s. Bihar Industrial Corporation.

But it was reported from field that 2187 Nos. of 33kV Pin Insulators and 750Nos. of G.I.Pin were flashed while energizing the transmission lines.

Eventhough the defective quantity of 33kV Pin Insulator with matching Pin were replaced by the firm, the continuous flashing up of 33kV Pin Insulator while energizing the transmission line in the presence of public has tarnished the image of K.S.E.Board, before the public. Also many of the targeted works were badly affected and could not be completed as scheduled.

Hence K.S.E.Board has decided to blacklist M/s. Bihar Industrial Corporation, Jharkhand from participating in future tenders of K.S.E.Board for a period of 5 years from 4-10-2010.

This is for your information.

Yours faithfully,

*3/14/10*  
CHIEF ENGINEER (TC&M)
