APTRANSCO,

Vidyut Soudha,

Vijayawada.

Lr No: - RSRK/APTRANSCO/Stage-1/Complaint/D.No:-05 Dt:-29.09.2023.

Sir,

Subject: - Complaint No: - 5 (Through Complaint Box and Mail).

Reference: - 1) Circular Memo No:JMD/APTransco/CE/PS,Plg.&D./RAC/No.727 /21,Dt:26.02.2021.

2) Tender Specification No: - APT-e-37/2023 by Chief Engineer/Projects/Vijayawada.

గౌరవనీయులయిన Director (Grid & Transmission Management) వారికి ,పైన తెలుపబడిన Ref(1) ను అనుసరించి Ref(2) లో పేర్కొన్న Tender పై కొన్ని పిర్యాదులను తమరి దృష్టికి తీసుకు రా దలిచాను.

- 1) Stringing of 3 Nos Moose HTLS Conductor using Tension and puller machine అను పని యొక్క ధర APTransco Latest Labour rate SSR (2023-2024) నందు Basic Rate 283601.00 per KM గా నిర్ణయించబడినది. కానీ అదే పని యొక్క ధర TS Transco Latest Labour Rate SSR (2023-2024) నందు Basic Rate 80314.00 per KM గా నిర్ణయించబడినది . ఈ ధర ల వ్యత్యాసము ను అనుసరించి పైన పేర్కొన్న Ref(2) project నందు సుమారు 4.5 cores ఎక్కువ గా Estimate అయినట్లు కనపడుతున్నది కావునా దీనిపై సమగ్ర విచారణ జరిపి తగిన చర్యలు తీసుకోవలసినదిగా కోరుచున్నాను.
- 2) పైన పేర్కొన్న Ref(2) project నందలి Nunna Bay extension work, Municipal Corporation పరిధి లో (i.e 12KM from Corporation limit has to consider) వున్నా కూడా దానికి only Municipality Allowance మాత్రమే కలిపి యున్నారు (instead of 40% Allowance they are considered 20% only).ఇటువంటి పొరపాటులను నేను గత 3 నెలల కాలము నందు చాలా సార్లు మన సంస్థ దృష్టికి తెచ్చి యున్నాను .అయినను ఎటువంటి మార్పు లేకపోవడం మరియు పొరపాటులను సరిదిద్దు కోక పోవడం ఏ మాత్రం వుపేక్షించవలసిన

విషయం కాదు అనేది నా అభిప్రాయం . ఇంత పెద్ద మొత్తం లో ప్రజాధనం తో జరపబడుతున్న ప్రాజెక్ట్ లో ఇటువంటి తప్పిదములు అన్ని stages దాటి Tenders వరకు రావడం అనేది చాలా ఆందోళన కలిగించే అంశం .ఇటువంటివి సంస్థ శ్రేయస్సుకు ఏమాత్రం మంచివి కావు. కావునా దీనిపై సమగ్ర విచారణ జరిపి ఇటువంటి తప్పిదాలు జరుగకుండా తగిన కఠిన మయిన చర్యలు తీసుకోవలసినదిగా కోరుచున్నాను.

- 3) పైన పేర్కొన్న Ref(2) project నందలి Nunna Bay extension work ,Gudiwada Bay Extension Work నందు 10 Nos New isolators (220Kv 1600Amps) కొరకు Estimate చేసియున్నారు .కానీ వాటికి Solid Core Insulators Estimate చేసియుండ లేదు. Existing Old Insulators వాడే ఉద్దేశం వుంటే అటువంటి సందర్భం లో అస్సలు పూర్తి isolator's మార్చవలసిన అవసరము లేదు only male and Female Contacts మార్పు చేస్తే సరిపోతుంది. కావునా దీనిపై సమగ్ర విచారణ జరిపి తగిన చర్యలు తీసుకోవలసినదిగా కోరుచున్నాను.

I attest that all the information in this Letter is true and correct to my knowledge.

Thanking you,

Yours Faithfully,

29/09/2023

Sir I would like to bring to your attention the following issue:-

I Noticed with my little and limited knowledge, in above reference-3 tender ECV (Estimated Contract Value) an abnormal Amount variation with comparison of latest SSRs of Aptransco (Detailed Statement Enclosed as Annexure -1). I here humbly request you to look in to the issue and take the necessary action.

Please protect my Identity As per The Whistle Blowers Protection Act 2014. Of Section -V

I attest that all the information in this Letter is true and correct to my knowledge.

Thanking You Sir

Sri.A.K.V.Bhaskar Garu,

Director (Grid & Transmission Management).

APTRANSCO.

Vidyut Soudha.

Vijayawada.

Lr No: - Aprtransco-44/Dt: - 27.07.2023.

Subject: - Request for verification of SSR Item Rate -Regarding.

References: - 1) T.O.O No .Chief Engineer (Transmission) Ms.No. 2538 DT:-19.08.2022

2) T.O.O No .Chief Engineer (Transmission) Ms.No. 2531 DT:-04.08.2022.

3) Ap State Government SSRs (2021-2022),(2022-2023)and(2023-2024) Enclosed.

Sir I would like to bring to your attention the following issue:-

SSR Item No	Description Of Item	UOM	Rate(As per Latest SSR
10009869 (In Material Rate SSR Aprtransco)	Under deck insulation for the roof exposed to sunlight with 50 mm thick TF quality expanded poly styrene including GI washers and wire for fixing.	Sft	451.00
C4F15 (16)(3) In Labour rate SSR Aprtransco)	Providing Under Deck Insulation for the Roof exposed to sunlight with 50 mm thick TF Quality expanded poly styrene including GI washers and wire for fixing.	Sft	60.00
Supply and Erection charge As per Aprtransco SSR (per Sft)			511.00
Supply and Erection charge As per Aprtransco SSR (per Sqm)(10.76 sft /Sqm)			5498.36
269/MAT-03834/ELEC-5.6.33 as per AP Gov SSR	supply and installation of underdeck insulation with 50mm thick EPS ,48kg/cum Density, factory laminated faced aluminum foil covered with GI cross wiring	Sqm	823.00

I Noticed with my little and limited knowledge, same items are having abnormal rate variation in latest and previous SSRs of Aprtransco and AP Gov .in our 400kv Substation construction we are using 4000 sft (observed as per tender documents) of above item. I here humbly request you to look in to the issue and take the necessary action.

I attest that all the information in this letter is true and correct to my knowledge.

Thanking You Sir

Yours Faithfully,

Raavi.Siva Rama Krishna.
