- (iii) The Junior Accounts Officer(JAO) cadre in the Accounts service and all posts in P&G service be kept outside the purview of localization in terms of the Presidential Order.

2. After careful consideration, The Transmission Corporation of A.P.Limited, further directs the following procedure to be followed while making direct recruitments in the local cadre appointments in APTRANSCO duly giving preference to the Local Candidates for following spirit of the Presidential Order for the Posts of Sub-Engineer Cadre in Engineering Service, LDC/Typist/ Attender (re-designated as Office Sub-ordinate) Cadres in Accounts Service & JLM Cadre in O&M Service

**A. Recruitment procedure :**

- i) The number of posts reserved in favour of local candidates in relation to the local area in respect of the category of posts in the local cadre shall first be determined; this number shall be the prescribed percentage of all the vacant post to be filled by direct recruitment, any fraction of post being counted as one provided that there shall be atleast one post left unreserved.
- ii) From amongst all eligible applicants, whether such applicant are local candidates or not, a provisional list of selected candidates to fill up all the available vacant posts shall be drawn up. This provisional list shall be prepared on the basis of the relative merits of all eligible applicant and the reservations in favour of the Schedule Castes, the Schedule Tribes, Backward Classes, Physically handicapped persons etc., as provided under the relevant Service Rules. The candidates included in the provisional selection list shall be arranged in order of merit or where the service regulations provide for their arrangement in the order of the rotation specified in Schedule-III of Regulation 22 of A.P.Transco Service Regulations Part-II, in the order so provided.

(P.T.O)

iii) The provisional selection list shall be scrutinized to ascertain the number of the local candidates finding the place in that list. If the number of local candidates finding a place in the provisional selection list equals or exceeds the number of posts reserved in favour of local candidates, such provisional selection list shall be deemed to be final selection list. If, however, on the scrutiny mentioned above, if it is found that number of local candidates finding a place in the said provisional selection list falls short of the number of vacancies reserved in favour of local candidates, the local candidates not included in the provisional selection list shall be arranged in order of merit in a separate list referred to as a remainder list. Thereafter, the candidates other than local candidates referred to as "non-local" candidates finding a place in the provisional selection list shall be successively eliminated in the reverse order from the bottom of such list and replaced by local candidates selected in order of merit from the remainder list, so however, that the provisions in the service rules for reservation of appointments in favour of Schedule Castes, Scheduled Tribes, Backward Classes etc., are observed to the extent that they are not in consistent with the provisions of the Andhra Pradesh Public Employment (Organisation of Local Cadres and Regulation of Direct Recruitment) Order, 1975 i.e. Presidential Order. This process of successive elimination of non-local candidates and their replacement by local candidates shall be continued until the number of local candidates in the provisional selection list equals the number of posts reserved for such candidates. At that stage, the provisional selection list as so modified shall be deemed to be the final selection list.

- iv) For each recruitment, the number of vacancies to be filled up should be divided into:-
- i) Open vacancies to be filled on merit
  - ii) Vacancies reserved for Local Candidates

From the combined merit list, the open vacancies should be filled up first. Thereafter, the vacancies reserved for local candidates should be filled up by local candidates alone in order of their merit. However, the existing communal roster etc., has to be followed.

#### **B. Local Candidate:**

A candidate for direct recruitment to any post shall be regarded as a local candidate in relation to a local area on the following conditions:

- i) 80% of the posts to be filled by direct recruitment shall be reserved for the local candidates, in respect of category of posts LDC/Typist/Office Subordinate in Accounts Service in concerned TL&SS Zone, which was declared as local area for the said posts. The remaining 20% of the posts shall be filled by open competition wherein the local and non-local candidates can compete.

\*\*\*\*\*

ORDER:

In the T.O.O.cited, orders were issued to observe Spirit of the Presidential Orders while making direct recruitments in the local cadre appointments in APTRANSCO based on the following points:

- (i) The CE/TL&SS zone be declared as the 'Local Area' for 'Localising' the Sub-Engineer cadre in Engineering Service, LDC/Typist/Attender (re-designated as Office-Subordinate) in Accounts Service for the purpose of the recruitment following the spirit of Presidential Order.
- (ii) The TL&SS Circles be declared as the 'Local Areas' for 'localizing' the JLM in O&M service for the purpose of recruitment following the spirit of Presidential Order.
- (iii) The Junior Accounts Officer(JAO) cadre in the Accounts service and all posts in P&G service be kept outside the purview of localization in terms of the Presidential Order.

2. After careful consideration, The Transmission Corporation of A.P.Limited, further directs the following procedure to be followed while making direct recruitments in the local cadre appointments in APTRANSCO duly giving preference to the Local Candidates for following spirit of the Presidential Order for the Posts of Sub-Engineer Cadre in Engineering Service, LDC/Typist/ Attender (re-designated as Office Sub-ordinate) Cadres in Accounts Service & JLM Cadre in O&M Service

**A. Recruitment procedure :**

- i) The number of posts reserved in favour of local candidates in relation to the local area in respect of the category of posts in the local cadre shall first be determined; this number shall be the prescribed percentage of all the vacant post to be filled by direct recruitment, any fraction of post being counted as one provided that there shall be atleast one post left unreserved.
- ii) From amongst all eligible applicants, whether such applicant are local candidates or not, a provisional list of selected candidates to fill up all the available vacant posts shall be drawn up. This provisional list shall be prepared on the basis of the relative merits of all eligible applicant and the reservations in favour of the Schedule Castes, the Schedule Tribes, Backward Classes, Physically handicapped persons etc., as provided under the relevant Service Rules. The candidates included in the provisional selection list shall be arranged in order of merit or where the service regulations provide for their arrangement in the order of the rotation specified in Schedule-III of Regulation 22 of A.P.Transco Service Regulations Part-II, in the order so provided.

(P.T.O)

iii) The provisional selection list shall be scrutinized to ascertain the number of the local candidates finding the place in that list. If the number of local candidates finding a place in the provisional selection list equals or exceeds the number of posts reserved in favour of local candidates, such provisional selection list shall be deemed to be final selection list. If, however, on the scrutiny mentioned above, if it is found that number of local candidates finding a place in the said provisional selection list falls short of the number of vacancies reserved in favour of local candidates, the local candidates not included in the provisional selection list shall be arranged in order of merit in a separate list referred to as a remainder list. Thereafter, the candidates other than local candidates referred to as "non-local" candidates finding a place in the provisional selection list shall be successively eliminated in the reverse order from the bottom of such list and replaced by local candidates selected in order of merit from the remainder list, so however, that the provisions in the service rules for reservation of appointments in favour of Schedule Castes, Scheduled Tribes, Backward Classes etc., are observed to the extent that they are not in consistent with the provisions of the Andhra Pradesh Public Employment (Organisation of Local Cadres and Regulation of Direct Recruitment) Order, 1975 i.e. Presidential Order. This process of successive elimination of non-local candidates and their replacement by local candidates shall be continued until the number of local candidates in the provisional selection list equals the number of posts reserved for such candidates. At that stage, the provisional selection list as so modified shall be deemed to be the final selection list.

- iv) For each recruitment, the number of vacancies to be filled up should be divided into:-
- i) Open vacancies to be filled on merit
  - ii) Vacancies reserved for Local Candidates

From the combined merit list, the open vacancies should be filled up first. Thereafter, the vacancies reserved for local candidates should be filled up by local candidates alone in order of their merit. However, the existing communal roster etc., has to be followed.

#### **B. Local Candidate:**

A candidate for direct recruitment to any post shall be regarded as a local candidate in relation to a local area on the following conditions:

- i) Who has studied for the maximum period out of seven years immediately preceding the passing of the qualifying examination or Xth class whichever is lower in the concerned local area.

- i) 80% of the posts to be filled by direct recruitment shall be reserved for the local candidates, in respect of category of posts LDC/Typist/Office Subordinate in Accounts Service in concerned TL&SS Zone, which was declared as local area for the said posts. The remaining 20% of the posts shall be filled by open competition wherein the local and non-local candidates can compete.
