

**TRANSMISSION CORPORATION OF ANDHRA PRADESH LIMITED**

**INFORMATION SECURITY MANAGEMENT**

**SYSTEM**

**SCOPE OF WORK**

## ISMS - Scope of Work

### 1. Introduction:

- The APTransco came into existence on 1st February 1999 in the erstwhile state of Andhra Pradesh with Hyderabad as its headquarters. From 1999 to 2005 the company remained as single buyer of power from various power generators and seller to Electricity Distribution companies. Subsequently, the power purchase function was taken over by the Distribution companies.
- After bifurcation of the erstwhile state of Andhra Pradesh, the APTransco in the residual state of Andhra Pradesh started operations from June 2014 onwards. At present the headquarters of APTransco is located in Vijayawada.
- Transmission Corporation of Andhra Pradesh Limited (APTRNSCO) is one of the pivotal organizations of Andhra Pradesh, engaged in the business of power transmission in the entire State of Andhra Pradesh. Apart from operation & Maintenance of 400/220/132/33KV Sub-Stations, it has undertaken the execution of construction of ongoing & new transmission infrastructure scheduled under capacity addition programme. It is also taking up renovation & modernization works of the old sub stations.
- APTRANSCO operates under a license issued by Andhra Pradesh Electricity Regulatory Commission.
